95% Financing for 2-to-4 Unit Properties

Exciting, new changes to Fannie Mae underwriting

Fannie Mae now allows buyers to make a down payment of just 5% on owner-occupied 2, 3 and 4-unit homes. This is significantly less than the previously required 15-25% down payment. If you've been considering investing in a duplex, triplex, or four-plex, now is the time!

- A creative alternative to afford a home
- Rental income may be used to qualify*
- Must be borrower's primary residence
- For purchase or refinance transactions*
